“Trump’s Mind, America’s Soul”

KSQD 90.7, 89.5 & 89.7FM “Be Bold America!”

Sunday, November 5, 2023 at 5:00pm (PDT)

(Some important points made in this interview: Dr. Lee shared that she isn’t political but that politics found her. She talks about how her life changed course after her decision ... her "Duty to Warn. Dr. Lee states that fascism is not an ideology but is a pathology; a disease. She explains the American Psychiatric Association disinformation efforts. Also, Dr. Lee explains that media and social media (KSQD is not corporate media) follows pathology and that pathology drives to destruction and death. In addition, Dr. Lee states that the mental health pandemic is more contagious than a virus.)

We will **meet the brave forensic psychiatrist who diagnosed Donald Trump**. In this interview, **Dr. Bandy X. Lee**, will go beyond explaining Donald Trump, but the followers who elevated him and **the nation that tolerated him as president**.

Why does Donald Trump speak and act as he does? **Why must he provoke violence?** Why do many in the country still support and follow him? How can he possibly **be the Republican Party’s choice for president again?**

Dr. Lee will tell us the missing piece that answers these questions. With 20-years of experience treating violent offenders and on violence

prevention, **Dr. Lee was the first to call out Donald Trump’s psychological dangers in a major way** and lost her faculty position at Yale University over exercising her responsibility, her **“Duty to Warn.”**

Interview Guest:

Dr. Bandy Lee is a **medical doctor, a forensic psychiatrist, and a world expert on violence** who taught at Yale School of Medicine and Yale Law School for 17 years before transferring her activities to **Columbia and Harvard**. She became known to the public by leading a group of mental health professional colleagues in **breaking the silence about the immediate past U.S. president’s dangerous psychology** and publishing the New York Times bestseller, “The Dangerous Case of Donald Trump: 37 Psychiatrists and Mental Health Experts Assess a President.”

The volume proceeded from an **ethics conference she organized at Yale School of Medicine**, which led to her consulting with over 50 members of the U.S. Congress. She is currently president of the [World Mental Health Coalition](#), the largest professional organization to address the **problem of dangerous leadership and its contribution to a “mental health pandemic.”** For more information, visit: bandylee.com.
