FOR IMMEDIATE RELEASE

“How to Mobilize to Defend Democracy”

Produced by KSQD 90.7, 89.5 & 89.7FM

“Be Bold America!” Airs May 15, 2026 at 5:00pm (PT)

With the 2026 midterm elections looming and **democracy on the line**, progressive attorney, activist, and author, [Gary Lucks](#), presents in his new book [We Are The People](#) **fiercely practical, street-level directions** for Americans who want to engage beyond posting, protesting, or donating, to actually helping **flip the House and Senate** this November.

Drawing on postmortem data from [Activate America](#), Lucks shows that **grassroots volunteers shifted outcomes by 2-4% in battleground districts** in 2024 and that Democrats need to flip just **three seats in the House** and **four in the Senate** to restore a legislative firewall against the current administration's agenda. Unlike many tomes on the current

political situation, *We Are the Power* tells readers **exactly how to close that gap.**

Interview Guest:

Gary Lucks, JD, CPEA, is a progressive author, activist, and environmental attorney who has spent four decades at the intersection of law, policy, and sustainability.
