The Choice Between Two Americas
with Bette Dangerous?”

“A vote for Trump is a vote for fascism and a betrayal of American democracy and for everything it stands.”

- Judge J. Michael Luttig, Fourth Circuit Court of Appeals Conservative Judge

It has come to this. After fifty years of implementing a velvet coup, this Tuesday we have been forced into deciding between two very different Americas. Elect Harris/ Walz and we continue with a democracy and the Rule of Law our founders designed. Elect Trump/Vance and our original form of government is gone and an authoritarian regime supplants it as being Above the Law.

As Timothy Snyder, Professor of History at Yale University, recently stated:

“If Trump wins, America ends.”

What will our lives be like in our country if Trump wins?

What will our lives be like in our country if Harris wins?

And, if Harris wins, what will life be like after the voters rejected the billionaire-funded Republican candidate and their rightwing Agenda 47 and Project 2025 plans?
