FOR IMMEDIATE RELEASE

***“The Most Dangerous Document Ever Written: Project
2025, The Dismantling of Our Freedoms”***

**KSQD 90.7, 89.5 & 89.7FM “Be Bold America!” Sunday,
September 8, 2024 at 5:00pm (PT)**

*“When somebody has taken the time to draw up a playbook, they are going to use
it.” - Tim Walz, 2024 DNC Vice-Presidential Acceptance Speech (re: Project 2025)*

**Call it what you want. The Republican Party is nakedly zealous
about turning America from a democratic republic into a kingdom
and the right-wing billionaires and their corporations are doing
everything they can to make it happen ... led by *The Heritage
Foundation*, that also flew the American flag upside down after the
January 6 insurrection just as did Justice Alito’s wife.**

Everyone must realize that the Project 2025 **scheme to dismantle the
American government is for any future Republican president**. It
might be beaten back this upcoming presidential election but these
people, **who are fighting for a dictatorship, will not go away.**

The right wing is not hiding it. They say it out loud and have **proudly written their manifesto; their painstakingly detailed, 922-page, step-by step instruction manual titled, “*The Mandate for Leadership: The Conservative Promise - Project 2025.*”** This interview with **Professor John Roth**, cohosted by former KGO radio talk show host, **John Rothmann**, will peel back its pages with an **emphasis on religion, health and education.**

Yes, this is a detailed plot for a coup.

Interview Guest:

[John Roth, PhD](#), is the Edward J. Sexton professor emeritus of philosophy at **Claremont McKenna College** in Claremont, California. Dr. Roth was named the 1988 **U. S. National Professor of the Year** by the Council for Advancement and Support of Education (CASE) and the Carnegie Foundation for the Advancement of Teaching. Dr. Roth's **expertise in Holocaust and genocide studies, as well as in philosophy, ethics, American studies, and religious studies**, has been advanced by postdoctoral appointments as a Graves Fellow in the Humanities, a **Fulbright Lecturer in American Studies at the University of Innsbruck, Austria**, and a fellow of the national Humanities Institute, Yale University. In addition to lecturing widely throughout the United States and around the world, Dr. Roth has **authored, coauthored, or edited more than fifty books**, and he has published hundreds of articles and reviews. **Dr. Roth graduated from Yale University with a Master of Arts and Doctorate of Philosophy degrees.**
