“Demystifying Shariah and How It’s Not Taking Over Our Country”

**KSQD 90.7FM “Be Bold America!” Sunday,
August 1, 2021 at 5:00pm**

Through scare tactics and deliberate misinformation campaigns, anti-Muslim propagandists insist wrongly that shariah is a draconian and oppressive Islamic law that all Muslims must abide by.

They circulate horror stories, encouraging Americans to fear the “takeover of shariah law” and even mounting anti-shariah protests with *no evidence* that shariah has taken over any part of our country.

Yet, we do have evidence of domestic terrorists, as FBI Director Christopher Wray referred to them, try to take over our Capital building, our Citadel of Democracy.

It would be almost funny if it weren’t so terrifyingly wrong.

Interview Guest:

Sumbul Ali-Karamali is the author of *Demystifying Shariah: What It Is, How It Works, and Why It’s Not Taking Over Our Country*. She is an award-winning author and popular speaker whose books, articles, blogs, and speaking events are her way of promoting intercultural understanding in the world. Sumbul grew up in

Southern California, answering questions about Islam and Muslims. With her degree in English (from Stanford University), her law degree (from the University of California at Davis), and her additional law degree in Islamic law (from the University of London's School of Oriental and African Studies), she left the world of corporate law to start writing books to answer those very questions.
