“The Hidden History of American Healthcare: Why Sickness bankrupts You and Makes Others Insanely Rich”

KSQD 90.7FM “Be Bold America!” Sunday,

September 26, 2021 at 5:00pm

“For-profit health insurance is the largest con job ever perpetrated on the American people - one that has caused trillions of dollars and millions of lives since the 1940s.” - Thom Hartmann.

In this upcoming interview, Thom Hartmann offers a deep dive into the shameful history of American healthcare, showing how greed, racism, and oligarchic corruption led to the current “sickness for profit” system. Modern attempts to create some kind of government healthcare have been hobbled at every turn – including Obama care, which Hartmann regards is basically a sellout to the health insurance industry.

There is a simple solution: Medicare for all. Thom Hartmann will describe the extraordinary benefits it would provide the American people and economy and the steps we need to take to make it a reality.

It is time for America to join every industrialized country in the world and make healthcare a right, not a privilege.

Interview Guest:

A four-time recipient of the Project Censored Award, Hartmann is also a *New York Times* bestselling author of twenty-six books, translated into multiple languages.
