Santa Cruz, Calif. -

Tune into “Be Bold America!” Sunday, **May 26 at 5:00pm** on
KSQD 90.7FM.

“Be Bold America’s” expert guest interview, on Sunday May 26 at 5:00pm, will be with Mike Stark who is an “accountability reporter”, blogger, political activist, and graduate of the University of Virginia School of Law.

Memorial Day weekend is a moment when Americans remember and honor those service men and women who died fighting to preserve our democracy.

Today, in addition to our current service personnel, it is journalists who are on the frontlines fighting for our American democracy against domestic enemies. They are being bullied with the direct intent to destroy America’s “Fourth Estate.”

Hear one journalist’s story of what he has endured to try and keep those in power accountable.
