“Electeds – Democracy In Action!”

Santa Cruz, Calif. -

Tune into **“Be Bold America!”** Sunday, **June 9** at **5:00pm** on
KSQD 90.7FM.
(Listen live online, ksqd.org)

Be Bold America’s guest interviews, on Sunday, **June 9** at **5:00pm**, will be with State Senator Bill Monning and with the City of Santa Cruz Mayor Martine Watkins.

The idea of democracy is that people gather together to determine their own future by organizing into a group, such as a government ... such as a state and local government. The people then communicate their wishes and wants for their group by electing others to represent them, “Electeds.”

On “Be Bold America!” we will be speaking with state and local elected representatives about aspects of the climate crisis and the housing crisis in Santa Cruz and Monterey counties as well as other key issues facing the City of Santa Cruz with Mayor Watkins, and specific state bills with Senator Monning such as the establishment of a fund for safe drinking water, health warning labels on sugar sweetened beverages, and a cannabis registry for local agriculture.

Tune into **“Be Bold America!”** **Sunday, June 9 at 5:00pm** on
