## **Every Voter Deserves a Voice That Matters**

Produced by KSQD 90.7, 89.5 & 89.7FM

**“Be Bold America!” Airs July 3, 2026 at 5:00pm (PT)**

Times have changed! **45% of the country identify as political independents.**

**They are rejecting rigid opinions.** Now, there is a non-partisan reform organization who are advancing fair participation for independent-minded voters.

[The Independent Voter Project](#) (IVP) is focused on three reforms:

- **Open primaries for every voter!** Over 26 million Americans are locked out of primary elections simply because they refuse to join a political party. The independent Voter Project is leading the fight to change that.
- **Improve better representation with More Choice Voting!** When elections offer only two viable choices, voters settle. More Choice Voting advances reforms that expand the field, increase competition, and force candidates to earn broader support.
- **End Super PACs!** 74.9% of Maine voters said yes to capping Super Pac donations at \$5000. Now, IVP is defending that law in court – and building the legal framework to take the fight to all 50 states.

**IVP's legal work is the engine behind every reform they pursue.** They author legislation, build the constitutional framework, and defend it in court. Their track record isn't theoretical – it's precedent. IVP's litigation record, spans, offense and defense – from federal district courts to the US Supreme Court.
