**Will we still have a Democratic Republic on Wednesday, November 9?**

This coming election will be a **real moment of truth**. It has come to this ... you are either **for democracy or you are not**. One political party embraces democracy and one party has abandoned it. Each offers two very different futures for America.

How did we get to this pivotal moment in history?

**What might be the results of the Tuesday, November 8 election?**

Join KSQD “Be Bold America!” when we ask John Rothmann, formerly with KGO Radio and long-time political expert, to **look into his crystal ball** and tell us what he **foresees happening on November 8**.
