Putting Democracy in Your Hands: The Digital Democracy Project

Produced by KSQD 90.7, 89.5 & 89.7FM

"Be Bold America!"

Airs October 16 2026 at **5:00pm (PT)**

Putting democracy into your hands. **That's what the Digital Democracy Project is doing and building nationwide.** The project allows registered voters to tell their legislators how to vote on hundreds of bills being debated. Then, **real-time results are provided to legislators in advance of a floor vote in the Capitol**, giving them trustworthy and secure input from their constituents.

Interview Guest:

Ramon Perez is an **AI technology executive and military veteran**, Ramon founded *Digital Democracy Project* to address systemic problems in **our electoral system which result in hyperpartisanship and widespread voter alienation**. He believes that, to achieve better outcomes, we must use technology to give greater control directly to voters.
